

Sessional Instructor Position, Department of Computer Science

The Department of Computer Science invites applications for two Sessional Instructors to teach CPSC 203 for the Fall 2010 term. The positions will commence September 1, 2010. Applicants must have a Ph.D.

CPSC 203 “Introduction to Problem Solving using Application Software”

Introduction to computer fundamentals; contemporary topics, such as security and privacy, and the internet and world wide web. Problem solving, analysis and design using application software, including spreadsheets and databases.

The Department is one of Canada’s leaders as evidenced by our commitment to excellence in research and teaching. It has an expansive graduate program and extensive state-of-the-art computing facilities. Calgary is a multicultural city that is the fastest growing city in Canada. Calgary enjoys a moderate climate located beside the natural beauty of the Rocky Mountains. Further information about the Department is available at <http://www.cpsc.ucalgary.ca/>.

A complete application should include curriculum vitae with e-mail address, a concise statement of teaching philosophy is required and a teaching dossier describing past teaching experience and approach. Candidates should arrange to have three letters of reference sent under separate cover as soon as possible to:

Stacey Chow

Department of Computer Science
University of Calgary
ICT 602, 2500 University Dr. NW
Calgary, Alberta, Canada
T2N 1N4

or email to: stacey@cpsc.ucalgary.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Applications will be accepted until July 6, 2010.

The University of Calgary respects, appreciates, and encourages diversity.
