

Sessional Instructor Position, Department of Computer Science

The Department of Computer Science invites applications for a Sessional Instructor to teach CPSC 471 during the Winter 2015 term. The position will commence January 1, 2015 and end April 30, 2015. Applicants must have a Ph.D in Computer Science.

CPSC 471 “Data base Management Systems”

Conceptual, internal and external data bases. Relational data base systems and SQL. The normal forms, data base design, and the entity-relationship approach.

The Department is one of Canada’s leaders as evidenced by our commitment to excellence in research and teaching. It has an expansive graduate program and extensive state-of-the-art computing facilities. Calgary is a multicultural city that is the fastest growing city in Canada. Calgary enjoys a moderate climate located beside the natural beauty of the Rocky Mountains. Further information about the Department is available at <http://www.cpsc.ucalgary.ca/>.

A complete application should include curriculum vitae with e-mail address, a concise statement of teaching philosophy is required and a teaching dossier describing past teaching experience and approach. Candidates should arrange to have three letters of reference sent under separate cover as soon as possible to:

Erin Moloney

Department of Computer Science
University of Calgary
ICT 602, 2500 University Dr. NW
Calgary, Alberta, Canada
T2N 1N4
or email to: moloney@ucalgary.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Applications will be accepted until October 23, 2014.

The University of Calgary respects, appreciates, and encourages diversity.
