

## **Sessional Instructor Position, Department of Computer Science**

The Department of Computer Science invites applications for a Sessional Instructor to teach CPSC 683 for the Winter 2015 term. The position will commence January 1, 2015. Applicants must have a Ph.D in Computer Science.

### ***CPSC 683 – Information Visualization: Theory and Practice***

*The theory and development of interactive visual representations of abstract data for the purpose of amplifying cognition. Topics covered can include representational issues, perceptual issues, visual literacy, spatial abstraction, and interaction issues.*

The Department is one of Canada's leaders as evidenced by our commitment to excellence in research and teaching. It has an expansive graduate program and extensive state-of-the-art computing facilities. Calgary is a multicultural city that is the fastest growing city in Canada. Calgary enjoys a moderate climate located beside the natural beauty of the Rocky Mountains. Further information about the Department is available at <http://www.cpsc.ucalgary.ca/>.

A complete application should include curriculum vitae with e-mail address, a concise statement of teaching philosophy, and a teaching dossier describing past teaching experience. Candidates should arrange to have three letters of reference sent under separate cover as soon as possible to:

#### **Erin Moloney**

Department of Computer Science  
University of Calgary  
ICT 602, 2500 University Dr. NW  
Calgary, Alberta, Canada  
T2N 1N4  
or email to: [moloney@ucalgary.ca](mailto:moloney@ucalgary.ca)

*All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.*

***Applications will be accepted until November 10, 2014.***

*The University of Calgary respects, appreciates, and encourages diversity.*
